NOTICE OF DATA BREACH

Dear Jane Smith,

Greenberg Traurig, LLP ("GT") provides legal services globally. We are writing to inform you of a data security incident that impacted some of your personal information. This letter contains information about what happened, actions we have taken to prevent a recurrence, and steps you can take to protect your information. We understand that receiving a notice like this can be concerning, and we sincerely regret any inconvenience this may cause you.

What Happened?
On August 26, 2026, an unauthorized individual obtained a limited number of files maintained by GT in connection with its legal work. We moved quickly to revoke unauthorized access, activated our incident response team, and began an investigation with the assistance of external security experts. We identified your personal information contained in the affected documents.

What Information Was Involved?
The incident involved your name, contact information, date of birth, and Social Security number. We had this information in our systems because it was collected and processed in the ordinary course of providing legal services.

What We Are Doing
We take the security of all information in our systems very seriously, and we want to assure you that we've already taken steps to prevent a recurrence by enhancing security measures and security monitoring and increasing employee awareness of data security practices.

What You Can Do
We recommend that you review the additional information enclosed, which contains important steps you can take to protect your personal information. You should always remain vigilant for incidents of fraud and identity theft, especially during the next 12-24 months, by reviewing financial account statements and monitoring your credit reports for suspicious or unusual activity and immediately reporting any suspicious activity or incidents of identity theft.

In response to the incident, we are providing you with access to **Triple Bureau Credit Monitoring/Triple Bureau Credit Report/Triple Bureau Credit Score** services at no charge. These services provide you with alerts for 3 years from the date of enrollment when changes occur to any one of your Experian, Equifax, or TransUnion credit files. These alerts will be sent to you the same day that the change or update takes place with the bureau. In addition, we are providing you with proactive fraud assistance to help with any questions that you might have or in the event that you become a victim of fraud. These services will be provided by Cyberscout, a TransUnion company specializing in fraud assistance and remediation services.

Additional Important Information

You have the right to obtain or file a police report. You can contact the Federal Trade Commission (FTC) for more information on preventing identity theft. We encourage you to report any incidents of identity theft to the FTC.

Credit Reports: You may obtain a copy of your credit report, for free, whether or not you suspect any unauthorized activity on your account, from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at www.consumer.ftc.gov/articles/0155-free-credit-reports) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA 30348-5281.

Fraud Alerts: You have the right to place fraud alerts with the three credit bureaus by phone and online with Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf), Experian (www.experian.com/fraud/center.html), or TransUnion (www.transunion.com/fraud-victim-resource/place-fraud-alert). A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. Initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency by visiting their websites below or by mail. The consumer reporting agency will generally require you to provide your name, address, date of birth, Social Security number, and proof of identity and address. A parent or legal guardian may request a freeze for a child under the age of 16, and an authorized representative may request a freeze on behalf of another consumer, subject to the agency's documentation requirements. After placing the freeze, each agency will provide confirmation and instructions for managing, temporarily lifting, or removing it. Please retain that information for your records. It is free to place, lift, or remove a security freeze.
