**Re: Montgomery County Police Incident Report W06024024**

To Whom It May Concern:

This letter is to confirm that the Montgomery County Police Department responded to a burglary which occurred on May 3, 2006 in the Aspen Hill area of Wheaton, Montgomery County, Maryland in which a laptop computer was stolen that may have contained personal identifying information of United States armed forces veterans.

Our police report number for this incident is W06024024. Please accept this case number as verification that the incident occurred and a police report was written. Because this is an open and ongoing investigation, the actual police report will not be released at this time.

Sincerely,

Peggy M. Lyles  
Deputy Custodian of Records
