Whisman regarding the Appellant's "Motion To Stay The DOC's Collection Of Costs Specifically Waived By The Trial Court Order." Further review of the motion, as well as a review of the status as to the actual parties in this matter, raises the issue as to whether or not the motion is properly filed in Supreme Court cause number 84614-6. First, it appears that the DOC is not a party to this action, nor would the challenge to its administrative interpretation and/or application of the terms of the trial court order regarding its apparent collections appear to be within the scope of the pending appeal. Accordingly, in that regard, the parties in this matter are directed to serve and file written comments (which may be in letter form) addressing whether or not the motion should be considered by this Court in this matter. Said comments should include citations to any authority in support of the position taken in the comments.)
