Hey Friend,

I am writing to you privately.

Don't share this email with ANYONE without my permission - that's a polite request, but I'm serious about it.

I want to invite you to earn \$863.34 a day. ..[Link removed for your safety] <== Click There

You and a small, select group of individuals will undertake a short training - about 12 minutes or so - after which you will get the chance to shoot for \$863.34 a day, every day, every week, every month.

If you are NOT interested in that kind of money, please delete this message right now.

Do not forward it to your aunt or your kids or your third cousin's babysitter.

This is meant for you, and you only.

If you ARE looking to earn \$863.34 every day, please click here RIGHT NOW before training slots this week are closed.

Thanks.

Shane

P.S. - When you click on the link, we should prepare you for a surprise. There won't be some angry guy yelling at you about how you're a jerk if you don't buy his product!

But we will show you exactly - really, exactly - how we have helped our friends earn \$863.34 every single day.

P.P.S. - watch the video carefully
