**Re: Notice of File Closure
MHDRP Complaint No.: 368749**

Dear Dr. Leason:

After a thorough investigation of the issues surrounding the water problems with your mobile home, we have decided to close our file on your complaint.

This office has conducted an extensive investigation of your complaint. We have discussed our findings with all interested parties. Our review of the available facts surrounding your complaint has led us to the conclusion that there is insufficient evidence to make a determination that your landlord has violated the Mobile/Manufactured Home Landlord-Tenant Act (MHLTA), RCW 59.20. Accordingly, we are closing our investigation into your complaint without a determination.

Please contact our office or send an email to me at pedrob@atg.wa.gov, if you are made aware of new information or if circumstances change.

Sincerely,

Pedro Bernal
